Art Unit: 2653

1) The amendment filed 10/17/2005 is acknowledged. Claims 1-30 have been canceled.

2) This application is in condition for allowance except for the following formal matters:

a) The specification, page 2 contains the phrase " according to the characterizing part of claim 1 ", which is incorrect. There is no claim 1 in this instant application.

b) A substitute specification excluding the claims is required pursuant to 37 CFR 1.125(a) because the changes made to the specification could creates a lot of confusing and/or errors if the application become a patent.

A substitute specification must not contain new matter. The substitute specification must be submitted with markings showing all the changes relative to the immediate prior version of the specification of record.

The text of any added subject matter must be shown by underlining the added text. The text of any deleted matter must be shown by strike-through except that double brackets placed before and after the deleted characters may be used to show deletion of five or fewer consecutive characters. The text of any deleted

subject matter must be shown by being placed within double brackets if strike-through cannot be easily perceived.

An accompanying clean version (without markings) and a statement that the substitute specification contains no new matter must also be supplied. Numbering the paragraphs of the specification of record is not considered a change that must be shown.

Prosecution on the merits is closed in accordance with the practice under *Ex Parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
